## The Light of Life

The Light of Life, each new day rises to shine over us. Everyday we are expressing our gratitude and giving thanks. Our Life giving Light brings strength and growth to the seeds we plant.

## 1 Corinthians 13:12 (The Message)

<sup>12</sup> We don't yet see things clearly. We're squinting in a fog, peering through a mist. But it won't be long before the weather clears and the sun shines bright! We'll see it all then, see it all as clearly as God sees us, knowing him directly just as he knows us!

Robyn took this photo with the dawning morning on North West Island 2014. This island is 25 km north west of Heron Island. More than once Robyn and I have reflected and planned there.

The essence of living out our Mission Action Plan in our everyday lives. We all are part of Land Healing Ministries - preparing the soil. We all Plant the Seeds. We all seek the Living Water, the water of life. We aim to shine and grow in the Light of Life.

The Light of Life gave us another gift of light with The Holy Spirit appearing as 'tongues of flame'

The Light of Life is powerful imagery in our worship songs of hope.

Here I am to Worship

Light of the world, you came down into darkness

Tim Hughes

In Christ Alone

He's my light, my strength, my song

Stuart Townsend

All working in harmony, with harmonies. So we may prepare, plant, grow and be part of the harvest.

Bringing me to one of my most connecting worship songs, Open the eyes of my heart by Michael W Smith. Seeing the Light shining in each of us. Imagine if the Light is a lamp . If I light my lamp from your lamp, the light of your lamp doesn't diminish. There are now two lamps shining. If I light someone else's lamp, my doesn't diminish either. We all shine together.

'The whole course of things goes to teach us faith. We need only obey.'

Ralph Waldo Emerson

L'Chaim,
